COMPLETION OF CONCURRENT TENDER OFFER FOR APR-24 UNSECURED NOTES

Nickel Industries Limited (the “**Company**”) is pleased to announce the results of the tender offer (the “**Concurrent Tender Offer**”) for its existing US\$325m senior unsecured notes (maturing April 2024) (“**Target Notes**”), previously announced on 11 April 2023. As of the expiration deadline (18 April 2023), the Company accepted valid tenders for an aggregate principal amount of US\$79,392,000 of the Target Notes at a Purchase Price equal to 102% of the principal amount of the Target Notes.

Following the previously announced issuance of the US\$400 million senior unsecured notes (“**New Notes**”), the refinancing of the Company’s US\$225m senior secured notes (“**Private Notes Purchase**”) and completion of the Concurrent Tender Offer, the Company has removed all secured debt and simplified its capital structure. The Company’s outstanding bonds will now comprise of US\$400m of New Notes, maturing 21 October 2028 and US\$246 million of Target Notes, maturing 1 April 2024.

The issuance of New Notes, along with the Private Notes Purchase and Concurrent Tender Offer, optimally position the Company to continue the strong growth trajectory to becoming a leading producer of battery grade Class 1 Nickel.

The information contained herein does not constitute or form a part of any offer or solicitation to purchase or subscribe for any securities in the United States or any other jurisdiction in which such offer or sale would be unlawful. The notes referred to herein have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the “Securities Act”), or any state securities laws of the United States or elsewhere, and may not be offered or sold in the United States absent registration or an applicable exemption from registration under the Securities Act and applicable state securities laws of the United States or any other jurisdiction. Accordingly, the notes are being offered and sold by means of a separate private offering memorandum (a) in the United States only to persons reasonably believed to be “qualified institutional buyers” (within the meaning of Rule 144A under the Securities Act) and (b) outside the United States in “offshore transactions” in reliance on Regulation S under the Securities Act. There is no intention to register any portion of any offering in the United States or to conduct a public offering of securities in the United States or in any other jurisdiction.
